Student Feedback Questionnaire for the MASP Course

Please take a few minutes to fill out this questionnaire; it will help me improve this course, if I ever teach it again. For each of the subjects covered tick the appropriate boxes. Below, “difficult” refers to how hard you thought the underlying subject matter was and “clear” refers to how well you understood the subject by the end of the lecture. Please return it to me via Marcello Bonsangue (you can find his post box in the mail room).
